

**Calne Free Church**  
**COVID-19 Secure Community Behaviour Agreement**

**All those attending a service of worship in the Calne Free Church building are deemed to have read and agree to comply with this agreement.**

While attending a service of worship at the church building of Calne Free Church, I and members of my household with me (including children under my supervision) agree the following:

- 1.** Not to attend if I am self-isolating or have symptoms of COVID-19 as described by the NHS including but not restricted to high temperature, new persistent cough or loss of taste & smell.
- 2.** I will arrive at the church building early, to allow time for the measures in this agreement to be actioned.
- 3.** On arriving at the church building I will remain outside, socially distanced from others outside my household by 2m or more and wait until invited to enter the building by a steward.
- 4.** When entering the church, I will put on my face mask and thoroughly clean my hands and those of any children with me, using the alcohol gel provided.
- 5.** I will ensure that the stewards have my details registered and my attendance recorded. I understand that these details will be retained for 21 days for track & trace purposes and then securely destroyed.
- 6.** I will follow the one-way system through the building.
- 7.** I understand that services are livestreamed to the internet. I understand that while the Tech Team are not aiming to show members of the congregation, they cannot guarantee that members of the congregation will not appear on the livestream during the service.
- 8.** I will bring a Bible or any other books or devices I need for the service.
- 9.** If I wish to give an offering, I understand that this can only be done on arrival in the box at the back of the church.
- 10.** I will follow instructions of the steward to be seated with any members of my household at least 2m from members of another household.
- 11.** While I am in the building, I must have minimal contact with anyone not in my household and will therefore not speak to people from other households.
- 12.** I understand that Junior Church is only available online and not during the service, so any children with me will not be leaving mid-service.
- 13.** I understand that creche facilities are not available.
- 14.** I agree to follow a strict 'one at a time' rule when using the bathroom facilities, although children under 11 may be accompanied by an adult from their household.
- 15.** After using the toilet, I will take care to clean the toilet & handles with the wipes available, disposing of them carefully in the bin available. I will also wash my hands with soap in the sink area for at least 20 seconds according to the instructions provided.
- 16.** I understand that pre-recorded music will be played during the service but that I am not allowed to sing.
- 17.** If I suddenly feel unwell during the service, particularly with symptoms of COVID-19, I will leave the building using the one-way system, inform a steward and return home. I will then follow instructions from the NHS.
- 18.** At the end of the service I will await my turn to leave the building as instructed by a steward.
